As Applicable

Definition of Terms

Contractor and/or Subcontractor shall mean Scope Package Bidder.

Construction Manager (CM) shall mean Lowry Construction Services, Inc.

Owner shall mean Pryor Public Schools.

Architect shall mean The Stacy Group.

LCS Clarifications:

ADDENDA:

SCOPE OF WORK:

Includes, but is not limited to, providing all the necessary labor, materials, tools, supplies, supervision, insurance, equipment, scaffolding, hoisting, fees, etc. necessary to provide the **Hollow Metal Doors and Frames Work for the Pryor Public Schools Jefferson and Lincoln Renovations**, Pryor, Oklahoma in accordance with the Contract Documents. It is further understood and agreed that this Subcontract also includes the furnishing and installation of the below listed items regardless of whether or not they are in the listed specification section(s) or any other specification section(s) or shown on the plans. This scope listing is to be used as a guideline and should not be considered as an all-inclusive list of items required to provide a complete scope of work under this proposal. Drawing and detail references are provided for reference only and are not to be considered as all-inclusive of Contract Documents for the particular items referenced.

1. Furnish all Hollow Metal Door Frames and Hollow Metal Window Frames per Section 081113 per plans, schedules and notes, complete. Supplier to furnish freight on board (FOB) to the jobsite, unloaded, inventoried and labeled.
2. Provide all Hollow Metal doors, sidelight and hollow metal window frames complete in accordance with contract documents.
 - a. Provide doors and frames individually identified by door number in sequence with the contract documents.
 - b. Reinforce all doors and frames for all hardware including surface applied items, and fastening accessories.
 - c. Glazing stops, door silencers, grout guards, supports and anchors.
 - d. Label each individual glazed lite in accordance with fire protection rating as indicated.
 - e. Prepare doors and frames to receive mortised and concealed hardware as called for.
 - f. Provide all stops, floor anchors and moldings where indicated and required.
 - g. Provide all designated fire rated frames as indicated.
 - h. Frames to be prepared for masonry anchors, or if approved expansion anchors where installed in masonry.
 - i. Furnishing of any embedded anchoring devices for installation by others in concrete or masonry.
 - j. Provide all grout guards for masonry partitions.
 - k. All frames to be coordinated with scheduled wall widths.
 - l. Minimum of one bottom spreader each side of door frames.
 - m. Deliver all components as required and in coordination with construction schedule requirements.
 - n. All fastening clips and accessories required to install hollow metal door frames, hollow metal window frames and doors. All clips for frames to be welded on during fabrication in shop.
3. Provide all doors pre-fit and pre-machined for all hardware, openings, etc.

4. Coordinate doors with hollow metal frame and hardware for complete installation of doors with other systems.
5. Provide raceways in doors and frames if required for installation of low voltage wiring or special hardware including but not limited to mag locks, electric strikes, etc.
6. Package doors individually, and mark each door on top and bottom rail with opening number used on shop drawings. All doors shall be individually identified by door number in sequence with the contract documents.
7. Provide shop drawings showing details of fabrication, cutouts, mortises and holes for hardware, etc.
8. Provide all requirements in accordance with all documents including Door Schedule General Notes and Keyed Notes as they relate to Scope of Work.
9. Provide all manufacturers' warranties as indicated.
10. Provide all doors as indicated or required by code.
11. Provide all components in accordance with Code compliances (all prevailing jurisdictions).
12. Provide all components as required and in coordination with construction schedule requirements.

General Items:

13. Include separate mobilizations / demobilizations as required by the Project Schedule and Phasing Plans.
14. Contractor shall provide a complete installation that complies with all applicable codes, ordinances and satisfying all Authorities Having Jurisdiction.
15. Subcontractor is required to comply with requirements to control Dust and Airborne Contaminants. No waste materials or debris shall be allowed to accumulate. Comply with LCS cleaning requirements.
16. It is mutually understood and agreed that this subcontractor will coordinate all of the scheduled deliveries of these items being furnished by others with the LCS designated representative. This includes the on or off site storage, staging, inventory control, and shipping to the site. All damages or shortages are to be reported within 24 hours of delivery.

Contractor and/or Subcontractor shall mean Scope Package Bidder.
Construction Manager (CM) shall mean Lowry Construction Services, Inc.
Owner shall mean Pryor Public Schools.
Architect shall mean The Stacy Group.

LCS Clarifications:

ADDENDA:

SCOPE OF WORK:

Includes, but is not limited to, providing all the necessary labor, materials, tools, supplies, supervision, insurance, equipment, scaffolding, hoisting, fees, etc. necessary to provide the **Hollow Metal Doors, Flush Wood Doors, Door Hardware, and Glazing Install Work for the Pryor Public Schools Jefferson & Lincoln Renovations**, Pryor, Oklahoma in accordance with the Contract Documents. It is further understood and agreed that this Subcontract also includes the furnishing and installation of the below listed items regardless of whether or not they are in the listed specification section(s) or any other specification section(s) or shown on the plans. This scope listing is to be used as a guideline and should not be considered as an all-inclusive list of items required to provide a complete scope of work under this proposal. Drawing and detail references are provided for reference only and are not to be considered as all-inclusive of Contract Documents for the particular items referenced. **(Please note: The word “provide” when used herein shall mean furnish and install completely, including all costs for labor, materials, equipment, hoisting, layout, scaffolding, ladders, staging, tools, rigging and any other appurtenances necessary to complete the Work”.)**

1. Provide all labor, equipment and miscellaneous materials for a complete and proper installation of the following items furnished by others. Include all receiving, unloading, inventory, hoisting, staging, storage, installation and alignment. This scope will take possession and be responsible for these items:
 - a. Furnished by Others - HM and Wood Doors – install and adjust.
 - b. Furnished by Others Door Hardware – install and adjust.
 - c. Removal of all doors and hardware to be replaced.
2. Set up and organize a hardware room, label all hardware, distribute all hardware to point of installation, install and align door hardware required by the contract documents.
3. Provide all miscellaneous anchors, screws, shims, caulking (match color), adhesives and items necessary to complete the installations.
4. Provide metal plating, bondo and finishing of existing hollow metal frames called to received new doors and hardware.
5. Subcontractor shall provide all necessary labor, material, tools, supplies, supervision, equipment, scaffolding, hoisting, fees, etc. necessary to provide complete installation of all Work required by the contract documents.

6. Organize and label all keys and keying with a permanent labeling system in a manner to be neatly turned over to the owner.
7. Coordinate with other contractors for all necessary wiring, security, electrical, etc. requirements.
8. Adjust all doors and hardware initially upon installation and prior to turnover to Owner.
9. Check all applicable deliveries for accuracy and report any deficiencies, damage, or unshipped items to the construction manager within 72 hours of the delivery.
10. This contractor shall receive, inventory, unload, store, protect, unpack, distribute, install, dispose of packing, and clean all items within this work package. Contractor has care, custody and control of all items from receipt until final completion and acceptance by Owner.

General Items:

11. Include separate mobilizations / demobilizations as required by the Project Schedule.
12. Subcontractor will assist LCS with providing material quantities and cost breakdowns as required for the Owner's and LCS's budget requirements.
13. Contractor shall provide a complete installation that complies with all applicable codes, ordinances and satisfying all Authorities Having Jurisdiction.
14. Subcontractor is required to comply with requirements to control Dust and Airborne Contaminants. No waste materials or debris shall be allowed to accumulate. Comply with LCS cleaning requirements.
15. Provide coordination, assistance, and necessary access for the Owner's furnished Testing Laboratory, including notification, obtaining samples and data gathering as required for scope of work. Costs for retesting due to failed tests and/or for Subcontractor's unpreparedness, will be paid by this Subcontractor.
16. It is mutually understood and agreed that this subcontractor will coordinate all of the scheduled deliveries of these items being furnished by others with the LCS designated representative. This includes the on or off site storage, staging, inventory control, and shipping to the site. All damages or shortages are to be reported within 24 hours of delivery.

Exclusions:
